Mantis

Glossary

Closed herd--all animals born and raised on the farm

CSA--Community supported agriculture. Members buy shares of the farm's crop, which they pick up weekly during the growing season

Heirloom varieties--open-pollinated (non-hybrid) seed or plant varieties at least 50 years old and grown for their flavor

Local food--grown within 30 to 100 miles of home

On the hoof--Meat bought as a portion of an animal (1/4, 1/2, whole) to be custom butchered

Producers market--all items sold directly by the farmers or artisans who grew/made them

HOMEGROWN

Where to buy fresh local foods in and around northern Chester County
